Hi Mary Anne,

Thanks for all your awesome work! Looking forward to bringing this through the finish line with you! Also, I am done my training tomorrow and would be able to meet with you, available by phone, email, etc. to get this document finalized and ready for submission on Friday.

I assume I will be sending letter and cover letter back to the USACE project manager on Friday, June 16th? Yay, this is my first formal comment letter and it has been a great learning experience thanks to your leadership/work.

Cheers,
Charissa
